## PROFILE SUMMARY

Graduated from Al-Zaytoonah university with excellent grades, my major was in Software Engineering.

I am an Ambitious person, always looking for a challenge and something new to learn. Currently involved with intensive training program(340hrs) presented by Al-Hussain technical university.

Proficient in modern web languages such as HTML5 and CSS3.

My goal is to learn new things, to be involved in the IT industry and to gain as much experience as I can to become a Full-Stack web Developer.

# HAZIM M. ALDARAWSHEH

Web Developer
